

ABLE CHARTER SCHOOL: ELEMENTARY

Using Schoolwork

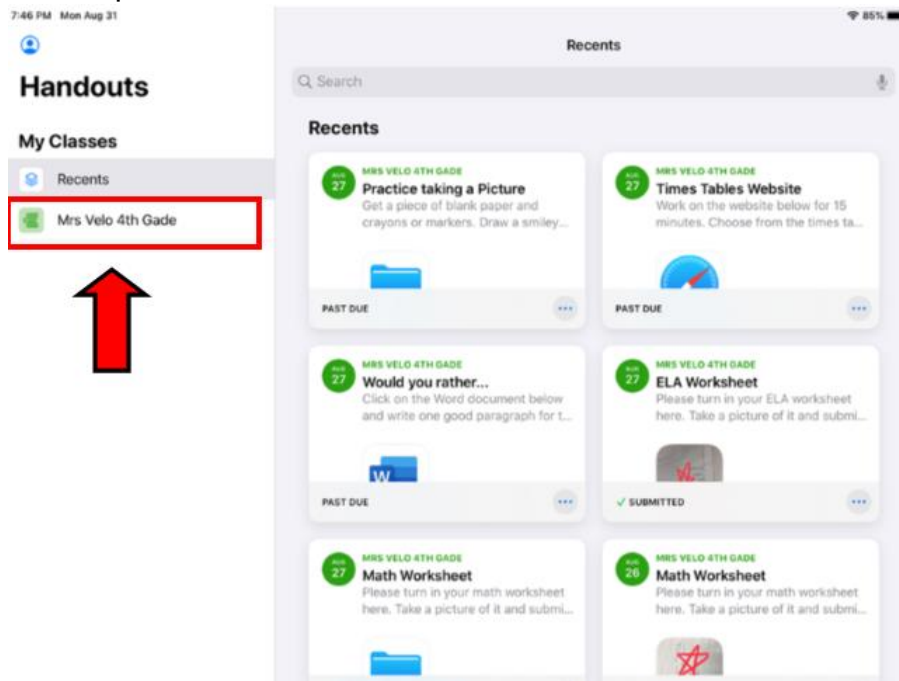

The primary tool that students in K-4 will be using is Schoolwork. They will be able to submit their assignments and get feedback that they can view within the app.

- Accessing the Schoolwork App:
The app is already loaded onto all the student iPads. When you turn on the iPad and enter your pin, you will see the app on the dock:

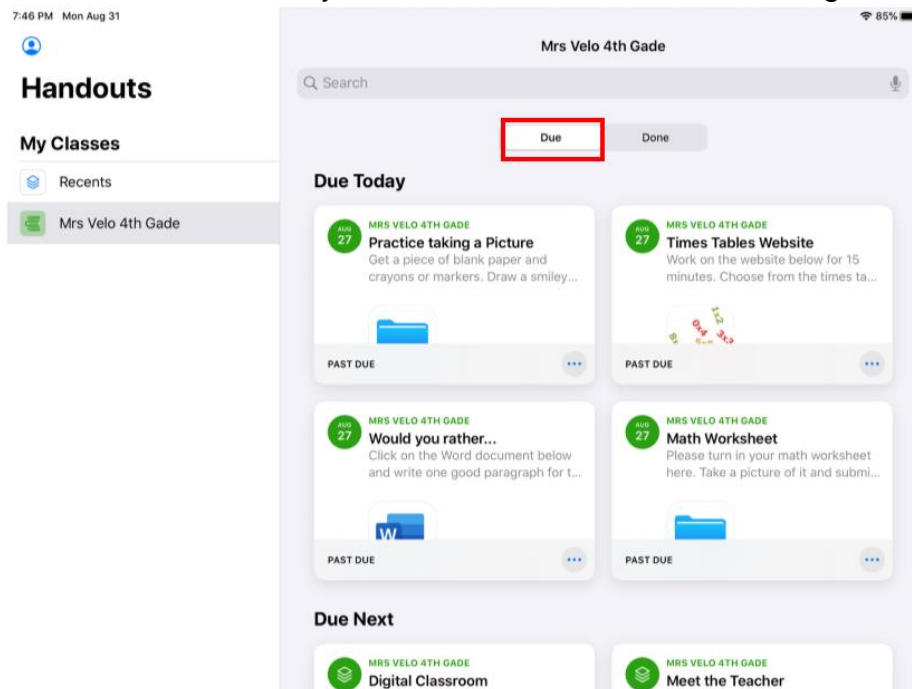

Working around the app:

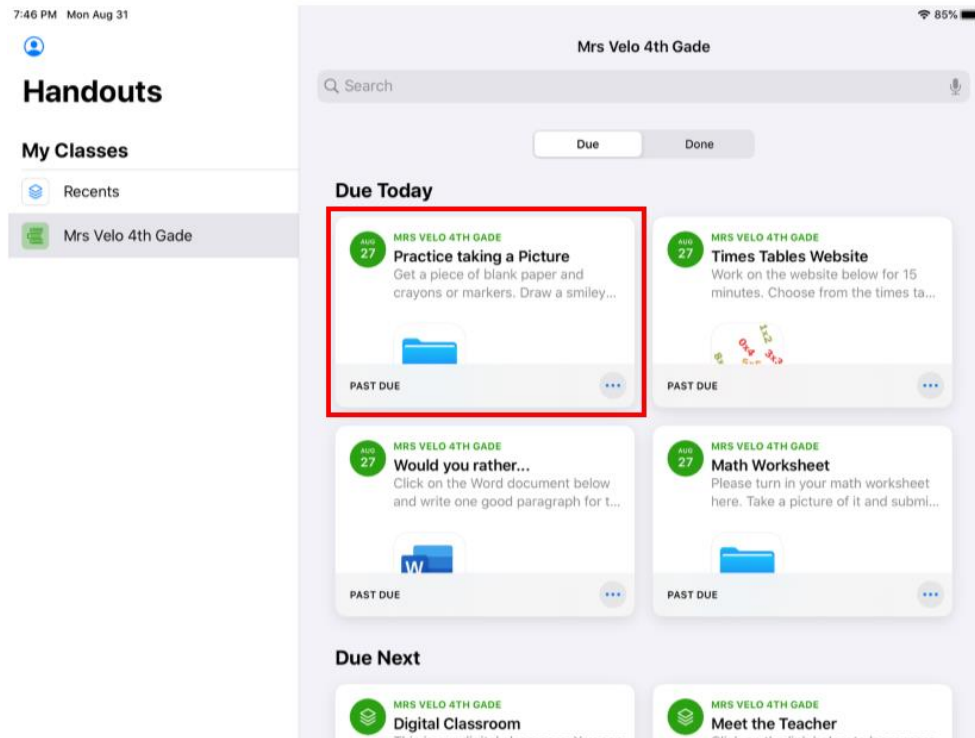

- Once you click on the app, you will open up to the Recents for the classes. Click on the arrow in the top left to see the student's classes:

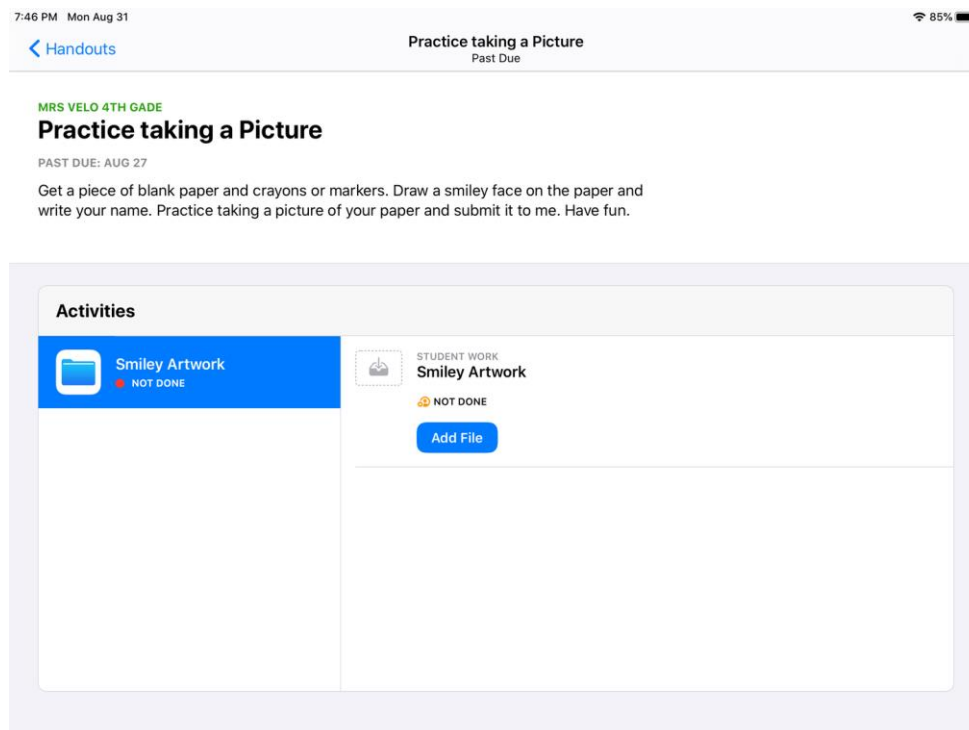

- Click on the student's class and you will be able to see the Due assignments:

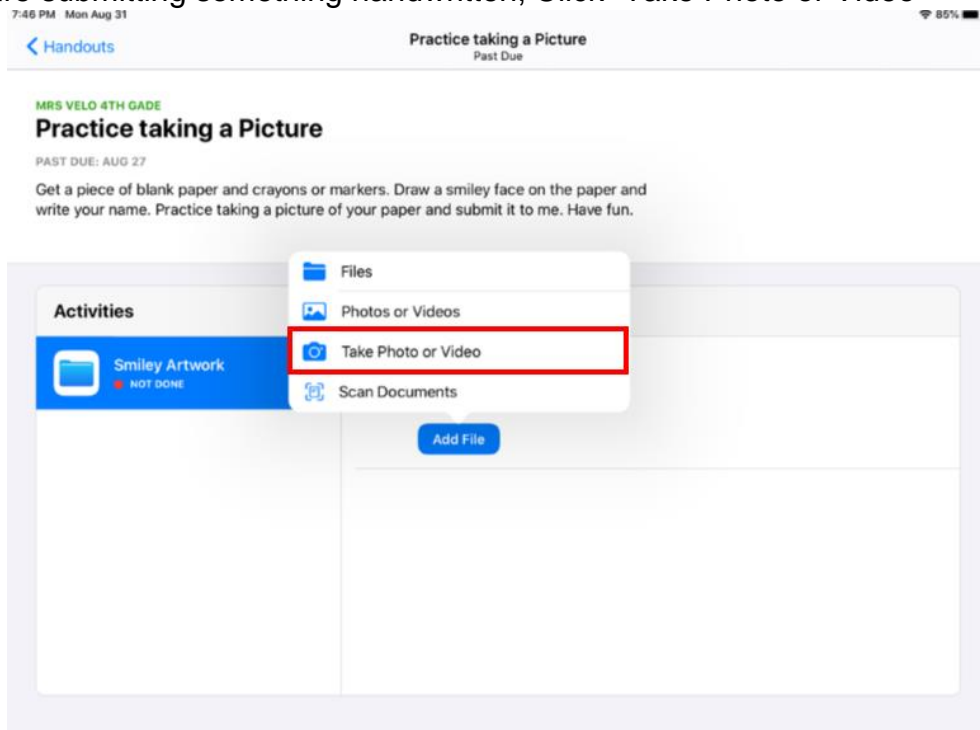

- Click on the assignment (Example: Practice taking a picture)

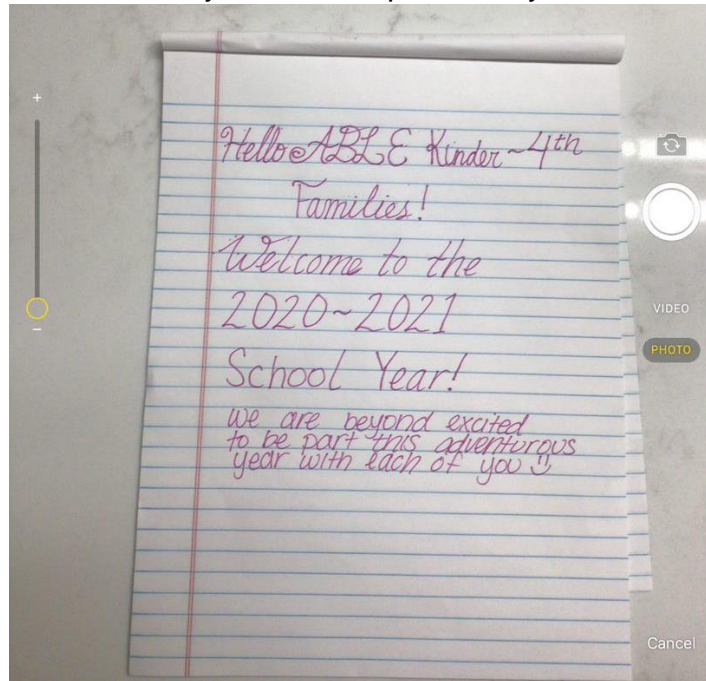

- Once on the assignment and you are ready to submit, click on “Add File”

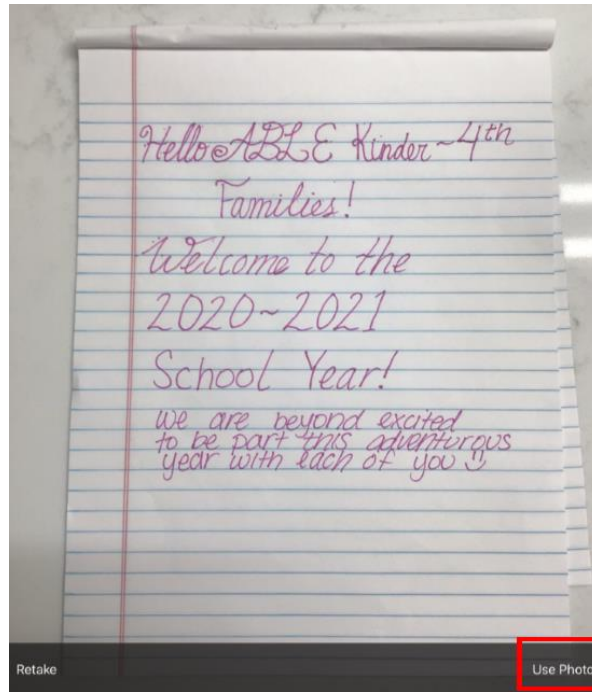

- If you are submitting something handwritten, Click “Take Photo or Video”

- It will pop up the Camera to let you take the picture of your work

- Once you take the picture, click “Use Photo” to submit work.

- It will show that the assignment is submitted and if you need to change it, you can hit “Replace File”.

Hello ABLE Kinder ~ 4th Families!
Welcome to the 2020~2021 School Year!
We are beyond excited to be part ~~this~~ *this* adventurous year with each of you!

Feedback → We have missed each of you and are so excited to meet our new students!

- Some assignments may consist of different links that the teacher will provide. For those assignments, you can click “start” and it will take you into Safari to use the link.

The image shows a mobile device screen with two parts. The top part is a handout assignment titled "Times Tables Website" by Mrs. Velo, 4th Grade, with a due date of August 27. It instructs the student to work on the website for 15 minutes. The bottom part is a screenshot of the Timestables.com website. The website has a green header with the logo and navigation links for Login and Create free account. Below the header is a navigation bar with buttons for Preschool, 1st Grade, 3rd Grade, 5th Grade, Reading, Kindergarten, 2nd Grade, 4th Grade, Math, and Join Now. The main content area is titled "Learn your multiplication tables" and lists 12 different multiplication tables from 1 to 12. A menu on the right side includes Home, Multiplication games, Speed Test X, Diploma, Multiplication chart, Worksheets, Trophy Cabinet, and Contact. At the bottom, there are buttons for "Speed test" and "Tables Diploma" with a 100 seconds timer. A cookie consent banner is visible at the very bottom.

- For an assignment with a Word document, click on “Continue” to direct you to word. Then you can open a blank document and start the assignment.
