ABLE Update from Superintendent Clem Lee

Greetings, ABLE Community!

2022-2023 had different faces. It was a most gratifying year for our ABLE community as we emerged from over a year of COVID-inspired remote learning. It was a most challenging year for the same reason.

Our community is strong!

Heartfelt thanks to all our parents and families who have supported ABLE throughout the pandemic and into our post-pandemic world.

I would like to single out the following parents who were your elected representatives on ABLE's Community Advisory Council (CAC) and English Learner Advisory Committee (ELAC). They attended regular meetings throughout the year, provided important advisory and regulatory functions as required by legislation, and provided our administration with candid feedback and input regarding ABLE programs. I am grateful for their commitment to our school, and ABLE is better for their participation.

Thank You ELAC Parent Representatives

Maria Del Carmen Garcia

Olivia Gonzalez

Milagros Villalobos

Thank You, CAC Parent Representatives

Ranetta Collins

Manjinder Jhamat

Cynthia Philpott

Julia Torres

Burke Wallace

Thank you, ABLE community, and have a GREAT summer!
